\$2 million in there for this upcoming year.

SENATOR SCHIMEK: And can school districts use that money however they wish...

SENATOR JANSSEN: When they're the...

SENATOR SCHIMEK: ...as an incentive?

SENATOR JANSSEN: ...reorganized districts? Yes, they can. I mean, there are extra...a lot of extra added costs and planning that have went into this...into the merger. The district that I've speaking about have been in this process for almost three years.

SENATOR SCHIMEK: Okay. And do we do anything about teachers when we have a reorganization like this?

SENATOR JANSSEN: Those teachers go onto the scale. The pay scale that the highest district is. So which is usually the Class III...if they're Class I's coming into that, the Class II's are usually higher paid. They go to the highest pay scale...

SENATOR SCHIMEK: Okay.

SENATOR JANSSEN: ...in the merged district.

SENATOR SCHIMEK: Okay.

SENATOR JANSSEN: So, yes, they are helping those teachers.

SENATOR SCHIMEK: Okay. Thank you, Senator Janssen, I think you've answered my question. And I guess the point of my question was that we already are doing quite a bit for these districts that reorganize, and I'm not certain that this amendment should take into account other factors that have nothing to do with reorganization and reward...

PRESIDENT ROBAK: One minute.

SENATOR SCHIMEK: ...school districts because of those factors. But I will listen to the discussion. Thank you very much,
